# Storage

## Portable Storage

We bring you a **storage unit**, we fill it up, and we store it for you until you are ready to retrieve your unit.

## Fridge Storage

Portable fridge units can keep things chilled to **0° C**. They are great for short-term or long-term hire for your **restaurant, catering business or pop-up event**. Wheekeep has found the solution, designing state-of-the-art portable fridge units that can be used for any situation where cold storage is required.

## Self Storage

We provide a first-of-its-kind self-storage **that is automated and accessible** through an easy app, allowing you to monitor who has accessed your unit and when.

## Customizable Warehouses

We have large warehouses that can be **customized for your commercial needs**. We also manage all governmental licensing and **security requirements**, as well as providing **manpower to help you manage the facility**.

## Open Space

We offer **flexible space** for the storage of large items.

# Moving and Transportation

## Transportation

We have the experience and resources to help you plan a stress-free move—from long-distance transport to city transportation.

## Moving

Need to move an entire building or warehouse? If you have a big job and aren't sure how to make it happen, or just don't have the manpower, **we've got the experience to make your biggest projects seamless.**

## Manpower

Whether you need 1 or 100 experienced temporary workers for a day, a week or longer, we can **help complete difficult jobs that your current staff cannot handle.**

## International Import

We handle all **aspects of international shipping for you**, from start to finish.

## Packing Supplies

Need boxes, tape, stuffing, and bubble wrap for your breakables? We have you covered.

## Packing

Our professional team is ready to handle your valuables with care. If you can't find the time to pack your items, we can **provide all the help you need to ensure your property is carefully packed** and moved for you.

# Project Management & Consultation

We have experience working with a variety of businesses to provide customized consultation and project management services for your business to help achieve the desired goals, whether it's financial or time related.
